About UWA College

At UWA College, you're on the right path. Nestled right in the heart of The University of Western Australia (UWA)'s Perth campus, we offer a range of supported pathways to kick-start your journey towards studying at UWA.

Providing expert academics, tailored support services and a hands-on approach to learning, our courses are designed in collaboration with UWA to provide an embedded study experience like no other. While you build your academic and language skills in our supportive, multicultural and interactive learning environment, you'll get to immerse yourself in all that student life at UWA has to offer.

With three intakes per year and pathways into first- or second-year studies at UWA, our programs are a great option if you:

- need some help improving your English language skills.
- don't yet meet UWA's entry requirements and need additional academic support.
- have just graduated from high school and want a smoother transition to university.

The INTO advantage

UWA College isn't just any pathway college; it's UWA's very own, born from a partnership between two industry leaders, UWA and INTO University Partnerships (INTO).

A trusted partner of UWA, INTO brings more than 15 years of experience in international education pathways, having helped more than 150,000 students from over 180 countries achieve both their education and career goals.
