YOUR FUTURE STARTS AT MONASH

We understand your goal is to receive the best education possible to help you succeed in your future career. From day one, our pathway programs focus on helping you develop the skills you'll need to succeed at Monash University. You'll experience the same high-quality education as you will at the University, in a supportive learning environment tailored to your needs.

OUR PATHWAY PROGRAMS

FOUNDATION YEAR

Owned and operated entirely by Monash College, the Foundation Year pathway is a pre-university program with guaranteed¹ entry into first-year undergraduate courses for all 10 faculties at Monash University.

DIPLOMA

The Monash University Diploma will allow you to specialise from day one and fast-track into a second-year undergraduate degree¹ offered by one of Monash University's seven faculties. You'll be based at our Monash College campus, but your Diploma will be awarded by Monash University².

ENGLISH LANGUAGE

The Monash English program is the core English language pathway for you meet the English requirements for Foundation Year, Diploma and your Monash University course. Developed and delivered by Monash College, this program is designed to help you succeed at University.

¹ Entry requirements into Monash College and Monash University apply, please refer to pages 52–59 for details.
² Students who successfully complete a relevant Diploma and satisfy the entry requirements will be guaranteed entry into second-year of an undergraduate degree at Monash University (other conditions apply).

MONASH ALUMNI
AROUND THE WORLD

“

Monash University is one of the most innovative and international universities in the world, proudly ranked among the top 50 universities globally. The breadth of our academic expertise, the diversity of our student cohort, the excellence of our teaching and research, and the scale of our alumni network, all combine to provide our students with transformative opportunities and experiences.

Our international students are an integral part of the Monash community, making an important contribution to the University's diverse fabric and to wider Australian society.

Monash College has played an integral role in providing students with a world-class education and a guaranteed pathway to study at Monash University. You'll discover that Monash College is more than just a place of learning – it's a community where students from diverse backgrounds come together to embark on a transformative journey.

Monash graduates have gone on to successful careers, becoming leaders in their respective fields, making significant contributions to society and embodying the values instilled in them during their time at the College.

I wish you the very best for your studies and trust that you will come to look back on your time at Monash as a formative moment in your educational journey.”

PROFESSOR SHARON PICKERING
Vice-Chancellor and President
Monash University

GET TO KNOW MELBOURNE

Experience studying in a city with a reputation for welcoming international students.

Welcome to life in Melbourne.

In Melbourne, there's always something exciting to see and do – an abundance of culture and art festivals, international sporting events, world-class cafés and restaurants with cuisines from all over the globe, and laneways, parks and beaches waiting to be explored. It's easy to see why the Australian lifestyle is so attractive.

The city has been described as having four seasons in one day, but that's all part of the charm. It's a good idea to be prepared, so pack an umbrella and a warm jacket for winter (June to August), and your sunscreen, hat and sunglasses for the summer months (December to February).

WELCOME TO THE MONASH COLLEGE CAMPUS

Our Docklands campus is designed to provide you with everything you need to make your student life a success. The purpose-built 750 Collins Street campus gives you access to innovative, modern learning and teaching facilities across 10 floors, including art and design studios, science labs and music studios. You'll have plenty of breakout and informal spaces for quiet study and group assignments, as well as areas to socialise with friends.

As a city-based student, you'll be close to everything Melbourne has to offer including museums, libraries, restaurants, shopping, parkland, sporting facilities and public transport.

We welcome thousands of students every year into a safe, friendly, respectful and fun atmosphere, where you'll find everything you need to achieve your educational goals.

WELCOME AND EVENTS HALL

On your first day at Monash College, step into our expansive Welcome and Events Hall. This is where you'll experience concerts, exhibitions, and exciting student activities including Orientation, the Student Fair, and Lunar New Year celebrations.

LIBRARY

Our library is more than just a place to borrow books and resources. Split over two levels, you'll find places to seek support from our Learning Skills Advisers and library staff. You'll also be able to take advantage of the numerous spaces to study quietly or take part in workshops.

SCIENCE LABS

A dedicated science floor on Level 10 includes 11 fully equipped laboratories, designed with the same facilities as you will find at Monash University.

Comprising both 'dry' and 'wet' laboratories, these modern facilities will provide you with a great learning environment to focus on discovery and experimentation across the sciences and to prepare you for success at Monash University.

STUDENT HUB

Level 4 is home to our Student Hub, a one-stop-shop for all student services administration, advice and support. If you have a question about your enrolment, an appointment with a student counsellor or guardian, or want to attend a drop-in session with a careers adviser, student club activity or mindfulness workshop, the Hub is the place to go. There are also male and female multi-faith rooms in the Hub.

ART AND DESIGN WORKSHOP STUDIO

On Level 5 you will experience the cutting-edge Art and Design Workshop. Our state-of-the-art studios come fully equipped with a laser cutter, 3D printers, and an array of essential tools including drill presses, band saws, and grinders, even a spray painting room. Our collaborative studios and the inspiring surroundings provide our students with a dynamic and creative space to bring their visions to life.

Take an in-depth look at all the facilities available at our Monash College campus. Explore the various spaces designed to enhance your learning experience and support your academic journey.

monashcollege.edu.au/life-at-monash-college/our-campus

A BALANCE BETWEEN ACADEMICS AND LIFESTYLE

Entertainment Areas

Explore dedicated spaces at Monash College designed for relaxation and fun. Enjoy a range of activities including arcade machines, foosball, board games, ping pong tables, a giant chess set, and other free amenities.

Winter gardens

Escape the winter chill in our indoor garden oasis. Our winter gardens maintain a pleasant, warm temperature year-round, offering a retreat from cold weather and allowing you to reconnect with nature at the doorstep of your classroom.

Amphitheatre

Our amphitheatre is the perfect spot for students to gather. Whether you're lounging on a bean bag during student movie nights with friends or enjoying various campus events hosted in the area, this artistic space provides a welcoming atmosphere.

Open study spaces

Our mix of formal and informal learning and gathering spaces enable socialising with friends, group interaction and quiet study as needed.

Multi-faith prayer room

Students are welcome to use our designated room on campus reserved for prayer, meditation, and reflection. By recognising and meeting the diverse needs of our students, our campus is a space where your needs are respected and supported.

CAMPUS LOCATION

OUR CAMPUS

SCENIC HARBOUR

Monash College's location is in the heart of Docklands – located just 300 metres from Southern Cross Station and a short stroll to Melbourne's central business district. Within minutes from campus, you can shop at The District Docklands, dine at waterfront restaurants overlooking Victoria Harbour, explore the city, or catch a tram to enjoy the seaside at St Kilda Beach.

And if you'd like to explore the rest of what Victoria has to offer, you're well connected with various public transport networks to get you there. Whatever you're after, you're in the right location.

Experience Melbourne the right way at Monash College.

CHOOSING YOUR ACCOMMODATION

Living in Melbourne is a big part of your student experience, there are many accommodation options to suit your needs.

You can choose to live in a student apartment in the city or try independent living by renting. That's why it's important to choose the accommodation option that best suits your living and learning preferences.

We also have a range of Monash-approved accommodation providers close to our Docklands campus that are suitable for all students, including those who are under 18 years of age.

Our approved accommodation providers, such as Scape, offer secure, apartment-style living with lots of student facilities. All rooms are fully furnished and staff are available 24 hours a day to provide help and support.

Living with a local family arranged by our approved Homestay provider is another option for you to consider.

For more information on our preferred accommodation providers, visit monashcollege.edu.au/accommodation

HOW TO CHOOSE THE RIGHT ACCOMMODATION

Are you under 18?

If you're under 18 years of age when you first arrive, you'll need to stay in an approved accommodation for underage students. Our approved accommodation options are suited to younger students and offer more support and security.

monashcollege.edu.au/under-18

What experience are you looking for?

The type of experience you want to have will be an important factor in your decision making. Consider what is important to you: whether you'd like to share facilities like a kitchen or prefer to be independent and live on your own, and whether you want to live with other students or a local family.

If you choose to rent a property, please do your research. With the increase in cybercrime and phone scams, we want to make sure that you don't fall victim. It's important that you protect your personal information and practice cybersafety. It's best that you book directly with a Monash College-approved accommodation provider, who will already have undergone vetting. If you prefer to make your own accommodation arrangements, take care of your physical and online security. Listen to your instincts, especially when something is too good to be true. If in doubt, our friendly team is here to help you.

monashcollege.edu.au/contact-us

SCAPE

Living at Scape puts you in the heart of Melbourne where you'll never miss a beat! Close to everything you need, from some of Melbourne's most famous laneways to shopping and dining districts, Scape is the comfort zone where you can feel secure to step outside of yours.

Scape has created the best place to live and learn for students. They offer residents a specialised team available 24/7 to keep students feeling safe, supported and at home.

Buildings are designed to give students the perfect balance between privacy, amenity and an incredible social and welcoming lifestyle.

If it's your first time living out of home, Scape provides a safe environment allowing you to feel supported during your next great adventure!

 **Scape Swanston, Scape Queensberry and Scape Victoria** are all located within the city of Melbourne.

Scape Uni Square is located on Leicester Street in the vibrant suburb of Carlton.

 Conveniently located in the CBD and surrounding suburbs, Monash College's campus is only minutes away by train and bus and free tram within the CBD.

 Studio rooms or shared apartments, air conditioning and heating, gym and laundry, communal lounge and kitchen, linen service, unlimited high-speed internet, 24/7 reception, entertainment zone, rooftop terraces, cinema room and community life programs.

www.scape.com.au

IGLU

Iglu is a space purpose-built for cool student living, offering support when you need it and independence when you want it. With a combination of cool designer living spaces, first-class facilities and 24/7 onsite support, students can enjoy a safe and nurturing environment designed to support them and let them live their best student life.

 Melbourne City – 229 Franklin Street, Melbourne

 Conveniently located in the CBD, Monash College's campus is only minutes away by train, tram and bus networks.

 Complimentary breakfast, unlimited high-speed internet, study areas, gym and laundry, courtyards, communal kitchen and lounge, BBQ area, cinema, entertainment zone, 24/7 onsite support.

www.iglu.com.au

 Single room  Under-18  Shared room  Utilities included: internet, electricity, water  Food

INDEPENDENT LIVING

Renting

If you're over 18 years old, you can rent your own place or share with friends. There are many rental properties in Melbourne close to the Monash College campus. Choose a place that's close to campus, and make sure you visit the property before you sign the lease or pay a deposit.

This is a good option if you're comfortable living on your own or have lived in Melbourne for a while.

 Properties in Melbourne may be unfurnished, partially furnished or fully furnished. Telephone, internet and electricity costs are generally not included, so you'll have to allow for them in your budget.

UNDER-18 GUARDIANSHIP SERVICE

We understand that it can be hard to leave home and adjust to a new country. That's why at Monash College we have a dedicated Under-18 Guardianship team that specialises in supporting younger students to settle into life in Melbourne. By offering our guardianship service, we're confident our students receive the best possible care and support.

monashcollege.edu.au/guardianship-team

HERE'S HOW IT WORKS

1

Apply for a pathway program

Once you receive a Monash offer for your pathway program along with your undergraduate degree program, you can accept it by following the instructions outlined in your offer letter. If you are under 18, specific acceptance information for under-18 students will also be included in your offer.

Please note: as an under-18 applicant, when accepting your Monash offer you must complete steps 2, 3, and 4 below, and submit the required documents along with your deposit payment and signed offer letter.

2

Select your preferred guardian option

Every student under 18 needs to have a guardian – someone who's responsible for you until you turn 18.

Your guardian can be:

- a Monash College under-18 guardian
- a parent or relative approved by the Department of Home Affairs.

3

Choose your accommodation

Before you arrive, we'll also need to approve your accommodation. You can choose to live:

- with a person who's your Department of Home Affairs-approved guardian
- at approved off-campus student accommodation
- with a Monash-approved homestay family.

4

Complete the under-18 guardianship and accommodation form

Once you've selected your guardian and received confirmation of approved accommodation, you'll need to complete the form and return it along with Part B of your offer letter to confirm your place. When we've approved your form and received your deposit, we'll send you the Confirmation of Appropriate Accommodation and Welfare and Confirmation of Enrolment letters so you can arrange your student visa.

5¹

Meet your guardian

Before you arrive, you'll receive an email introducing your guardian. This email will also provide information to help you with your first few weeks in Melbourne. You'll receive important information about airport transfers, enrolment and orientation.

6¹

Ongoing support

While you're studying your pathway program, you'll meet your guardian every two weeks, or more often if you need to. Your guardian will help you with:

- organising your orientation
- opening a bank account
- arranging medical appointments
- support during emergencies
- speaking to your teachers to keep track of your attendance and academic studies
- updating your parents as requested.

7¹

Turning 18

When you turn 18, you'll no longer need a guardian or have to live in Monash-approved accommodation. This is an exciting time, and your guardian will help you plan ahead and prepare for this transition. At this time, we'll help you identify the Monash College teams who'll support you until you enter Monash University.

¹ Only applicable to students who are registered with Monash College's under-18 guardianship service.

ENJOY THE JOURNEY

Your experience with us isn't just about study and learning. It's about meeting people, making lifelong connections, participating in different activities and having fun. If you find the right balance between study and relaxation, you're more likely to succeed, so make sure you get involved. The Student Engagement team arranges a number of on-campus and off-campus events and day trips, and provides you with general advice and support during your time at Monash College.

Orientation

No matter what pathway program you're studying, each one has its own tailored orientation program. During orientation, you'll receive information about Monash College and your chosen course. There are also lots of great opportunities for you to meet fellow students and to create lasting friendships. Orientations often include activities such as student fairs, team-building activities, excursions and much more!

Leadership opportunities

Become a student leader among your fellow classmates. You'll receive training to develop the communication and leadership skills that will help you in your future career. You'll also have the opportunity to attend conferences, work with the Monash College Marketing team, and take part in leadership opportunities, guided by the Student Engagement team.

monashcollege.edu.au/leadership

Student clubs and societies

Monash College's clubs and societies are organised by students, for students. Whatever you're interested in – academic, cultural and spiritual, or special-interest clubs – we have something for you. Monash College students can also join a range of Monash University clubs.

monashcollege.edu.au/clubs

On-campus events

Monash College hosts regular social events to encourage interaction and inclusiveness. Take part in the activities and celebrations that make up Melbourne's multicultural community, such as Lunar New Year, Harmony Day, Easter, Eid Festival, and Halloween. Other events throughout the year include mental health and wellbeing days, and movie nights.

Off-campus events

Monash College also arranges the opportunity for you to visit popular Melbourne attractions and events, including the Australian Football League (AFL) games, Melbourne Skydeck, and to explore Melbourne's thriving arts and culture scene, including musical theatre productions.

Recreation program

You'll also have access to a range of on and off-campus activities. It's an easy way to meet other students and have fun making new friends while seeing the sights of Melbourne and Victoria.

monashcollege.edu.au/recreation

THE BEST YOU

WELLBEING AND SAFETY

Our commitment is to support you to achieve your best. During your pathway program studies, our dedicated learning and career support services are available to make sure you're on the right path to Monash University. For more information, visit monashcollege.edu.au/student-support

Academic and learning support:

- Learning Skills Advisers can help you prepare for your assessments.
- Additional support with Mathematics and English.
- Regular drop-in sessions as well as group and one-on-one consultations.
- Academic workshop sessions for additional support outside of the classroom.
- A range of free online resources.
- Organised peer support sessions where you can learn from your peers and classmates.
- Questions? Our student administration team can assist you with enrolments, fees, exam dates and attendance.

WEEKLY DROP-IN SESSIONS

Come and talk to us about anything that's on your mind. Students ask us about their health insurance, accommodation and studies – or even how to use their myki (travel card for local train, tram and bus). Remember, we're always here to help.

YOUR MATHS SUCCESS

Everyone comes to the College with different maths strengths and weaknesses, and each discipline has different maths requirements. That's where we can help – we'll identify where you are on your maths journey, with personalised Needs Analysis testing that will provide you with your individualised Maths Profile. And from here we know exactly where you need to go (based on your future studies and career objectives) so we can take you on the journey that you require, to reach the destination that you desire.

Course and career support

Now is the perfect time in your life to discuss course and career options for your future. When you start your course, you may have questions about what degree to study and what careers it can lead to.

Careers Advisers are here to make sure that on completion of your pathway program, you embark on your University journey with a career plan tailored for you. Talk to them about:

- course and career advice
- subject selection
- leadership and volunteering options
- scholarship applications
- applying for a part-time job.

Counselling

Student counsellors offer free, confidential counselling to help you with personal, academic or emotional challenges. If you're feeling lonely, homesick, stressed, anxious or sad, it helps to talk to someone. Our counsellors are here for you to help choose strategies to solve the problems you're facing or cope better with the difficulties you're experiencing in your life.

24/7 Security

While Melbourne is considered one of the most liveable cities¹, your safety and security is of paramount importance to us. The Monash College campus is monitored by security officers 24/7. We provide our students with the right information to make sure students are safe in our city while settling into Monash College.

After-hours support is available to all Monash College students. Whether you've lost your wallet, been locked out of your accommodation, or you're not sure how to get home, help is available.

¹ Economist Intelligence Unit (2024).

CHOOSE YOUR MONASH PATHWAY PROGRAM

We offer two accredited academic pathway programs into Monash University undergraduate degrees: Monash University Foundation Year and Diploma¹. All you need to do is decide which one is best for you.

BOTH OPTIONS

- Provide guaranteed entry into Monash University².
- Demonstrate our student-centred teaching style.
- Have multiple intakes a year to align with your high school exams.
- Use technology to make learning more interesting and practical.
- Have proven success in developing high-performing graduates.

BENEFITS OF THE FOUNDATION YEAR PROGRAM

- Flexibility to choose your subjects.
- English is the only subject prerequisite for entry into the program².
- Change your destination degree at the end of the program.
- Enter into first year of all 10 faculties at Monash University².
- Direct pathway into degrees in Medicine, Nursing and Health Sciences, Pharmacy and Law.

BENEFITS OF THE DIPLOMA PROGRAM³

- Specialise from day one – only study subjects related directly to your University undergraduate degree.
- Flexible entry points.
- Fast-track your studies by studying three trimesters a year.
- Direct pathway into second year of a related undergraduate degree.³

HOW TO CHOOSE THE RIGHT PATHWAY

- 1** First, think about what you want to study at university. Align a Monash University degree with your interests.
- 2** Assess your pathway options (into Monash University) and decide which one suits you best.
- 3** Once you've decided on your pathway, check the entry requirements (pages 52–55).
- 4** You're now ready to apply!
monash.edu/study/how-to-apply

¹ The Monash University Foundation Year is owned and delivered by Monash College Pty Ltd, CRICOS Provider Code 01857J. The Monash University Diplomas are owned by Monash University, CRICOS Provider Code 00008C, and are delivered by Monash College Pty Ltd on behalf of Monash University.

² Foundation Year offers international students guaranteed entry into the first year of a Monash University undergraduate degree. Diploma offers international students guaranteed entry into second year of Monash University undergraduate courses in a related field (other conditions may apply). Entry requirements apply, please refer to pages 56–59 for details.

³ The Diploma is a 96-credit-point course.

⁴ If you have completed an Australian Year 11 with the required scores (or equivalent) you'll be eligible for entry into our Diploma and must complete 96 credit points (both Diploma part 1 and 2).

⁵ If you have completed an Australian Year 12 with the required scores (or equivalent) you'll be eligible for entry into our Diploma and will receive 48-credit-point exemptions for part 1, reducing your course duration.

FOUNDATION YEAR

	First year Monash University
	Docklands
	Australia
	10-18 months (depending on program and start date)
	February and August (Standard Program)
	Five hours a week, per unit
	Standard: A\$38,400 Extended: A\$51,900 Based on 2025 fees p.a. subject to change. See page 60.
Program Ownership: The Monash University Foundation Year is owned and delivered by Monash College Pty Ltd (CRICOS Provider Code 01857J).	

DID YOU KNOW?

Our student-centred teaching style enables you to experience a blended learning environment. You'll also have access to a team of experts to support you, including Learning Skills Advisers, Student Counsellors, Careers Advisers and library staff. The Foundation Year program is designed to prepare you for a successful transition to Monash University.

Prepare for success at Monash University with direct entry into undergraduate degrees in all 10 faculties.

Monash University Foundation Year is a pre-university program with proven success in preparing international students for Monash University. As a Foundation Year student, you'll develop your academic and English skills to the level expected of Monash University students, while studying subjects that prepare you for your future undergraduate degree.

Our supportive environment and dedicated teaching and support staff will guide you each step of the way, helping you to achieve your academic potential.

monashcollege.edu.au/foundation-year

STANDARD PROGRAM

(12 months)

CRICOS code: 071178G

Intakes: February and August

The Standard Foundation Year Program is the most popular among our students. It offers the widest range of subject choices, helping you to enter all 10 Monash faculties. After successfully completing the Standard Program and achieving the set requirements, you'll have guaranteed entry into first year at Monash University.

Foundation Year is taught over two semesters. Each semester you'll complete a minimum of four units (including English, which is compulsory). You'll also have the option to complete a bonus unit each semester, which could help you increase your final score.

EXTENDED PROGRAM

(18 months)

CRICOS code: 072824G

Intakes: February and August

The 14-week extended semester gives you additional support in the areas of Maths, Science and English. This option is recommended for those who don't have a strong background in these subjects or who are looking for additional academic support.

During the extended semester, you'll complete four extended units to build your confidence and academic skills. These units don't contribute to your final score, but will prepare you for success when you enter the Standard Program.

WHAT YOU'LL STUDY

We offer 13 subjects as part of the Foundation Year program. Each subject is offered in two parts:

- unit 1 introduces you to the subject area and key themes
- unit 2 expands your knowledge and understanding.

To successfully complete Foundation Year, you must complete:

- units 1 and 2 of English (compulsory subject)
- units 1 and 2 of at least two other subjects
- two additional units (stand-alone units or paired subject units).

Each subject has a set of learning objectives aligned with the requirements for Monash University undergraduate degrees. Our curriculum combines essential theory and practical knowledge with the four skills critical to your future studies and your career: critical thinking, problem solving, communication and collaboration.

4 ENGLISH ELECTIVE 1
ELECTIVE 2
ELECTIVE 3 **+1** BONUS ELECTIVE (OPTIONAL)

Assessments

Assessments take place throughout both semesters to provide you with regular feedback about how you're progressing with your learning, your areas of strength, and those that need improvement. Assessments are a combination of assignments, tests, presentations, lab investigations and reports. For most units, your final mark will be based primarily on assessments completed throughout your course. In some units, a final exam or project may also contribute to your overall result. By week four, you'll have completed your first assessment. Based on your results, your teacher will help you identify areas of strength and those that need improvement.

Note: Please refer to pages 54–55 for Foundation Year academic entry requirements.

¹ Excludes exams, SWOT and breaks.

HOW DO I CHOOSE MY SUBJECTS?

You'll need to choose your subjects before you start. Here are some key points to consider:

- 1 You must study English.
- 2 You can choose three or four other subjects each semester.
- 3 Check the prerequisites of your destination degree. See pages 56–59.
- 4 Consider studying a mathematics subject. This will give you more options to study a Monash University undergraduate degree.
- 5 Confirm your subject selection during orientation with helpful advice from our Career Advisors.

BUSINESS

Accounting¹
Accounting is the process of collecting and recording financial data in order to report meaningful financial information. It plays an important role in the successful operation and management of any business. To be successful, accountants need to be problem-solvers, critical thinkers, communicators and organised individuals.

Economics¹
Economics is the study of making choices about resources. We have limited resources, and they need to be allocated to satisfy people's needs and wants. Economics is critical to understanding why individuals, businesses and societies behave the way they do; how and why economic decisions influence national and worldwide living standards. You'll develop an understanding of both microeconomics and macroeconomics.

FOUNDATION YEAR SUBJECTS
The Foundation Year offers 13 subjects for you to choose from. For full subject outlines, visit monashcollege.edu.au/foundation-year

ENGLISH (COMPULSORY)
English develops your language, research, organisational and study skills to prepare you for tertiary education in Australia. You'll learn how to speak confidently, listen, understand and analyse ideas, and become a strong reader and writer of academic English.

MATHEMATICS
Fundamental Mathematics
Fundamental Mathematics develops the mathematical skills relevant for future study and careers across a variety of sectors. There's a focus on understanding the world through patterns and relationships, development of financial skills, and data analysis.

Mathematics¹
In this subject, you'll develop the critical, logical and communication skills to solve real-world problems using higher-order mathematical concepts. Topics covered include functions, inverse functions and graphs, derivatives, integration, probability and statistics.

Advanced Mathematics¹
In this subject you'll learn to explore, explain and link essential mathematical concepts by applying sophisticated mathematical techniques. Topics include trigonometry, complex numbers, matrices, vectors, conics, differentiation and integration techniques, differential equations, kinematics and vector calculus. To study Advanced Mathematics, you must also study Mathematics or have already passed Mathematics.

Note: You can't study both Fundamental Mathematics² and Mathematics, or Fundamental Mathematics and Advanced Mathematics.

HUMANITIES AND MUSIC
Contemporary Issues
This course will open your mind to your role as a citizen of the world, especially in the areas of health and sustainability. You'll develop your critical thinking and problem solving skills, learn how to be a critical consumer of the media and how to use reasoning to build arguments.

Global Studies
Global Studies helps you understand the economic, political and cultural links that connect people and countries around the world. You'll explore events, issues and influences that have increased interactions between countries. You'll also learn how different countries react towards globalisation, and the forces that influence it.

Music
You'll perform, create and study music from a range of periods and genres. Instrumentalists will study baroque, classical, romantic and 20th century music, while vocalists will focus on folk, jazz, pop and musical theatre. You'll perform technical works and develop solo and ensemble performing skills while also learning the history of music and music theory. To choose Music as a subject, you should have a practical instrumental level of Grade 6 ABRSM or equivalent, and be able to read music. In addition, students receive individual lessons with their dedicated instrument.

SCIENCE AND TECHNOLOGY (WITH DEDICATED LABORATORIES)
Biology
Biology is the study of living things. You'll gain an understanding of the natural world and the role humans play within it. This course explores the structure and function of cells and organisms, how they respond to their environments, and how living things evolve.

Chemistry
Chemistry involves understanding the structure and properties of matter. You'll develop your knowledge of fundamental concepts such as atomic structure, bonding, states of matter, equilibrium and thermochemistry. Building on this knowledge, you'll then investigate the development of new medicines, energy sources and materials for a sustainable future.

Physics
In Physics, you'll learn about the laws governing the universe, covering topics such as the laws of motion, forces, energy, momentum, circular motion, gravitation and the properties of materials. Physics is an experimental science, and you'll participate in laboratory work. Further studies cover how light, waves, electricity and magnetism behave, and atomic and nuclear physics.

Information and Communication Technology (ICT)
In Information and Communication Technology, you'll convert data into information using a range of software applications. Projects include game creation, film-making and multimedia presentations.

DID YOU KNOW?

Monash College Peer Mentors program provides the opportunity for students to build their study skills with advice from more experienced and friendly students, in a relaxed environment. Foundation Year (FY) Peer Mentors support students in FY subject-based learning and general skills to better manage their own learning. Our Study Skills Mentors support all students in areas such as time-management, Google suite, making presentations, effective use of Moodle and other study-related areas. The Peer Mentors also assist in Orientation activities, Learning Skills workshops, English language development and promotional activities. They receive training in the role, build their own leadership and communication skills and have fun getting to meet another team of students. They are rewarded with certificates in a special recognition event.

Everyone benefits from Peer Mentoring.

Extended: The 14-week extended semester provides additional support in the areas of maths, chemistry and English, recommended for students who don't have a strong background in these subjects or require additional academic support. These units don't contribute to your final score but will prepare you for success when you enter the standard program.

EXTENDED UNITS
Choose from:

- A Digital World
- Business Enterprise
- Chemistry and Life
- Extended English (compulsory)
- Foundations for Calculus or Mathematics in Context (compulsory)
- Ideas and Communication (compulsory).

¹ If you complete this subject, additional bonus point towards your final MU FY score will apply for selected Monash University undergraduate degrees only, see pages 56–57 for full details. The bonus points will not be reflected on your final transcript and Admissions will apply the bonus points when assessing your eligibility for applicable undergraduate degrees.

² Students can satisfy the MU FY Fundamental Mathematics prerequisite required for some undergraduate courses by successfully completing either 'Mathematics (MUF0091) and Fundamental Mathematics (MUF0142)' OR 'Fundamental Mathematics (MUF0141) and Fundamental Mathematics (MUF0142)' and achieve the required overall score stated on pages 56–57.

DIPLOMAS

Second year
Monash University

Docklands

Australia

Part 1: 9 months¹
Part 2: 9 to 12 months¹

February, June, October

Four to seven hours a week,
per unit

A\$36,100 to A\$41,900
(2025 fees p.a.)
Based on Diploma part 2;
subject to change.

Program Ownership:

Monash University Diplomas are awarded by Monash University (CRICOS Provider Code: 00008C) and delivered by Monash College Pty Ltd (CRICOS Provider Code: 01857J) on behalf of the University.

Specialise from day one with a Diploma and fast-track to second year of a Monash University undergraduate degree.

DIPLOMA²

Our Diploma program offers international students guaranteed entry into second year of their preferred Monash University undergraduate degree. All you need to do is pass all of your units and meet the set entry score and subject prerequisites.

We offer seven diplomas leading to degrees in:

- Art, Design and Architecture
- Arts
- Business and Economics
- Education (double degrees with Arts, Business and Science only)
- Engineering
- Information Technology
- Science.

Curriculum

What you study during the Diploma is directly related to what you'll study during your undergraduate degree. Part 1 will introduce you to the theories and concepts required for your part 2 studies. In part 2, you'll study the same units as first-year university students and complete equivalent assessments.

Teaching style

The style of teaching at Monash University may be different to what you're used to. As a diploma student, you'll study in a supportive college environment. You'll have access to your teachers and resources outside of class.

Lectorials

Learn about a topic by listening to your lecturer presenting the content and asking you questions. You'll be expected to interact during the session by participating in online polls and activities.

Tutorials

Apply the knowledge you've learnt in a classroom format. Your teacher will lead the discussion and ask questions. You'll work on individual projects and complete group activities.

Laboratories

Solidify your learning through practical lab classes. Science students have access to chemistry, physics and biology laboratories. We also have computer laboratories for art and design, engineering and IT students.

Assessments

Your assessments will be different depending on which diploma you study. For each unit, you'll undertake various assessments, including presentations and both group and individual assignments. Some units may also require you to sit an exam.

For a full list of assessments, download the unit guide for your chosen diploma visit the Monash University website: monash.edu/study

Transition to Monash University

As a diploma student, you'll have opportunities to meet a representative from your future Monash University faculty and ask questions. You'll also have access to on-campus Career Advisors who can help with your decision making.

¹ The duration will depend on the program and your start date.

² The Diploma is a 96-credit point course. If you have completed an Australian Year 11 with the required scores (or equivalent) you'll be eligible for entry into our Diploma and must complete 96 credit points (both Diploma part 1 and 2).

³ The Diploma is a 96-credit point course. If you have completed an Australian Year 12 with the required scores (or equivalent) you'll be eligible for entry into our Diploma and will receive 48-credit-point exemptions for part 1, reducing your course duration.

YOUR FUTURE IN

ART, DESIGN AND ARCHITECTURE

The work of artists, designers and architects is everywhere. It shapes the way we live, how we interact with our surroundings, and our visual landscape. With a degree from Monash Art, Design and Architecture, you'll begin your journey towards a lifelong creative career that allows you to make a meaningful contribution to people's lives, locally and globally.

MEET CANTIKA
THIS IS HER JOURNEY:

I've always wanted to be a graphic designer and illustrator, and Monash helped me achieve that dream. I learnt a lot about art and graphic design, the teachers are very helpful and supportive especially as an international student. You'll experience a strong sense of community, making you feel supported and never alone.”

CANTIKA CITRAJATIARUM (INDONESIA)

IMAGE: Art and Design Workshop, Docklands campus

MEET VARSHA
THIS IS HER JOURNEY:

Confidence in myself and confidence in my voice came from being at Monash College. I was able to be in leadership opportunities when I reached Monash University because Monash College shaped me for that and allowed me to discover what I wanted to do. I went into Monash University with the confidence to excel.”

VARSHA DEVI BALAKRISHNAN (SINGAPORE)

MEET LEAH
THIS IS HER JOURNEY:

Studying Foundation Year at Monash College provided me with the opportunity to explore a range of different subjects that I’m interested in, which helped me to get a better idea of my future academic pathway and develop the knowledge needed for my study at Monash University.”

LEAH LIU (CHINA)

YOUR FUTURE IN
ARTS

If your ambition is to explore the world of ideas, cultures and places in an environment where you’ll be inspired, supported and challenged, then Monash Arts is the place to be. Flexible course structures mean you can make the most of exploring the amazing opportunities on offer, such as studying overseas, internships, field trips, double degrees, and leadership, career and volunteering programs. With over 40 areas of study to choose from, your future career opportunities are endless.

MEET SOPHIE
THIS IS HER JOURNEY:

“The biggest skill I’ve gained after finishing the Diploma of Business at Monash College was my communication skills. I used to be a very shy student, but when I came to Monash College I began to interact with my teacher and peers more. Monash College will provide you with all the resources you need to be confident.”

SOPHIE DOAN (VIETNAM)

MEET JAY
THIS IS HIS JOURNEY:

“I chose my double degree as I want to use the technology that I’ll learn in my Computer Science degree, to solve issues in other areas of business, like finance and economics.”

JINJIE DAI (JAY) (CHINA)

MEET HELENE
THIS IS HER JOURNEY:

“Studying at Monash College gave me the opportunity to be involved in inclusive and innovative education with experienced teachers. This experience motivated me to become a caring and thoughtful teacher in this multicultural community.”

HONG CHEN (HELENE) (CHINA)

YOUR FUTURE IN
EDUCATION

The world needs teachers and educators with knowledge, passion, ideas and commitment. At Monash, you'll join a community that believes education can change lives. You'll explore education theory and practice, and how to best teach different ages, abilities and needs. You'll help every learner open doors to new ideas, possibilities and skills.

YOUR FUTURE IN

ENGINEERING

Great engineers are so much more than just their skills – they’re planners, leaders, team players and communicators. At Monash, our engineering courses produce highly skilled engineers who are ready for life, work and the world. Engineers are key to the development of society and solving the challenges faced by the planet, such as climate change, natural resources depletion, food shortages and increased energy demands.

MEET THARUSHI
THIS IS HER JOURNEY:

DIPLOMA OF ENGINEERING

↓

BACHELOR OF CHEMICAL ENGINEERING (HONOURS)

↓

NOW
SENIOR APPLICATIONS ENGINEER

I loved the fact that the classes were much smaller at Monash College than University. As such, the lecturers were able to provide one-on-one attention. In addition, as it was a tight-knit community I made some lifelong friendships at College.”

THARUSHI NARANGODA (SRI LANKA)

“

Monash Foundation Year allowed me to transition from the education system in my country to the one in Australia. It allowed me to learn and excel in my career.”

KANG ZHENG (CHINA)

MEET KANG
THIS IS HIS JOURNEY:

FOUNDATION YEAR

↓

BACHELOR OF MECHANICAL ENGINEERING (HONOURS)

↓

NOW
FIRE SAFETY CONSULTANT AT DOBBS DOHERTY ENGINEERING GROUP

MEET JOSEPH
THIS IS HIS JOURNEY:

The thing I like the most are the people in Monash College. They are supportive, they boost my confidence, they gave me an environment to learn when I came to Australia. I'm currently working as an associate at *The Missing Link*, going to work to the city every day. I enjoy that vibe because you feel that you are a part of it. It's a part of the country. It's part of the community."

JOSEPH JIANG (CHINA)

MEET NATHAN
THIS IS HIS JOURNEY:

Monash College doesn't just teach you how to pass the subjects you are studying, but it teaches you about life as well. I believe gaining the foundation from Monash College to prepare for life in and after university is worth it for any student."

PHU CUONG PHAM (NATHAN) (VIETNAM)

YOUR FUTURE IN
INFORMATION TECHNOLOGY

Information Technology (IT) is fast-paced and ever-changing. More than ever, people and organisations are seeing opportunities to leverage IT, and as an IT professional you're a vital part of this transformation. At Monash, we're in the business of discovering how IT can help meet the key global challenges of the 21st century.

YOUR FUTURE IN
LAW

A Monash law degree offers you a practical way to make a real difference in the world. Ranked in the top 40 law schools in the world¹, we're one of the largest and most prestigious law schools in Australia.

We guarantee our students a place in the clinical legal education program to build their knowledge, experience, and confidence. This guarantee is for all students who wish to incorporate a practical component credited towards their Monash law degree. We are the first law school in Australia to offer a guarantee like this for our students. This reflects our belief in the transformative effect of experiential education.

MEET CHLOE
THIS IS HER JOURNEY:

Foundation Year made my first year in Melbourne super fun and exciting. I was also able to quickly adapt to the Australian academic teaching style due to the small class sizes and full support from the teachers and staff at Monash College.”

CHLOE CHEW (MALAYSIA)

MEET DANIEL

THIS IS HIS JOURNEY:

 FOUNDATION YEAR

 BACHELOR OF MEDICINE AND BACHELOR OF SURGERY (HONOURS)

 **NOW**
SURGICAL RESIDENT MEDICAL OFFICER AT ALFRED HEALTH

“

Monash College and Monash University have changed my life tremendously. They have made me the person I am today, they've taught me valuable life lessons, and life skills such as time management, independence and communicating with different cultures. I don't think I would do it any differently other than to do it with Monash.”

DANIEL ONG (MALAYSIA)

MEET FATEMEH

THIS IS HER JOURNEY:

 FOUNDATION YEAR

 BACHELOR OF NURSING

“

Monash College was the first place that I started speaking English. Foundation Year taught me how to solve problems by seeking help, and I became more confident talking to my peers and sharing my ideas and beliefs.”

FATEMEH (IRAN)

YOUR FUTURE IN

MEDICINE, NURSING AND HEALTH SCIENCES

Monash Medicine, Nursing and Health Sciences is a leading provider of education for doctors, nurses and Allied Health¹ professionals in Australia. All our courses are specialist degrees, so you'll get to focus on your chosen area of study from day one.

You'll study alongside students from more than 90 countries, and access all areas of health. Whichever course you choose, you'll have the satisfaction of helping build a healthier world.

YOUR FUTURE IN

PHARMACY AND PHARMACEUTICAL SCIENCES

As the global population grows and ages, and as medicines become more complex, the need for pharmacists and pharmaceutical scientists increases. They play a vital role in improving the health of our communities. Whether your interest is in inventing, developing and researching new medicines, or in helping patients get the best out of their medicines, you'll have the opportunity at Monash to learn from internationally renowned scientists and educators.

MEET ANNE
THIS IS HER JOURNEY:

“In Foundation Year I found my teachers were incredibly supportive. They really want you to do well, they really want you to get into the degree you selected so they spend a lot of time and resources to help you get there.”
ANNE CHAU (VIETNAM/AMERICA)

YOUR FUTURE IN
SCIENCE

We’re facing a wide range of complex challenges – environmental pressure, climate change, booming population and an ever-changing technological, economic and social landscape. With a Monash Science degree, you’ll become a future innovator, creating solutions that could change the world. Your time at Monash will be filled with lab work, field trips and industry placements. You could find yourself on a field trip searching for fossils in Antarctica, or developing a new life-saving vaccine – the possibilities are endless.

MEET SKYE

THIS IS HER JOURNEY:

Monash College not only prepared me for my degree at Monash University but it also gave me opportunities to build confidence in myself to further my passion in science. Studying at Monash College allowed me to build a professional network, which broadened my opportunities in the science industry.”

SKYE HO (SINGAPORE)

MEET IBNURRAIS

THIS IS HIS JOURNEY:

I come from a country with a different culture to Australia and Monash has helped me transition. It has really opened my mind to think outside the box.”

IBNURRAIS YANI (INDONESIA)

ENGLISH LANGUAGE

Studying English at Monash College will give you the best preparation for success in your Foundation Year, Diploma and University studies.

monashcollege.edu.au/english

When I initially started at the Monash English course I thought it would be entirely about language, but I found it to be much more than that. I learnt about cultural nuances, and research skills that were essential to my master's degree. Now I am applying all of these theories and experiences in my working environment. For students coming to Australia who haven't been exposed to the university environment, I highly recommend taking a Monash College pathway. It offers an amazing introduction and preparation for university life."

AHMAD MAYAR (AFGHANISTAN)
Senior Project Manager at Monash University

MONASH ENGLISH

Monash English is our core English language pathway for you to meet the English requirements for Foundation Year, Diploma and your Monash undergraduate, graduate or graduate research course. You'll complete your language program ready to study with confidence and see yourself as a citizen of a larger community.

Why study Monash English?

- Meet the English language requirements of your career path and perform equally to other international direct-entry students.
- Stay on track and excel with the help of real time assessments, and feedback on progress and performance to make sure you succeed.
- Complete discipline-specific learning activities aligned to your future career path.
- Develop both inter-cultural and cultural competence to effectively communicate with people across cultures.
- Have the opportunity to develop friendships and belonging through community-based activities.

Course content

As a Monash English student, you'll:

- develop your proficiency in reading, writing, listening and speaking
- extend your range and use of academic vocabulary
- apply a range of skills needed to understand complex reading and listening texts
- speak clearly and confidently in a range of contexts
- learn to listen and understand a range of English accents
- understand the particular way of communicating in your own culture and other cultures and the misunderstandings that may occur
- express ideas in writing following Australian academic conventions
- learn to communicate effectively in social conversations, academic discussions and presentations
- improve your grammar and pronunciation
- understand, apply and explain theories in your discipline area
- learn how to respond to feedback
- become a self-directed learner.

Monash English builds better students. We provide them with the language and learning skills to excel in their future courses.”

MARK ROONEY
Senior Academic Program Manager, Diplomas

ENGLISH LANGUAGE SUPPORT

Your timetable will be scheduled with four hours of class time throughout the day, allowing you time to attend consultations with your teachers, participate in student activities and book into workshops run through the Library.

WHAT YOUR WEEK MIGHT LOOK LIKE AS AN ENGLISH STUDENT (EXAMPLE ONLY)

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Class 8:30am – 12:45pm	Class 8:30am – 12:45pm	Class 8:30am – 12:45pm	Class 8:30am – 12:45pm	Class 8:30am – 12:45pm
Visit the library	Individual consultation with teacher (optional)	Conversation circle (optional)	Work on individual learning plan (optional)	Organised student activity (optional)

MONASH PATHWAY PROGRAM ENTRY REQUIREMENTS

To apply for Foundation Year or a Diploma you must satisfy all of the following requirements:

1 MINIMUM AGE REQUIREMENTS

You must meet the minimum age requirements at the time of enrolment as follows:

- **Foundation and Diploma part 1:** At least 16 years of age.
- **Diploma part 2:** At least 16 years and 6 months of age.

Prior to enrolling in a Monash undergraduate course, you must be at least 17 years of age (and meet any specific age requirements for undergraduate courses that include clinical placements).

If you do not meet the minimum age requirement, you may be offered a deferred place until you become eligible.

2 ACADEMIC ENTRY REQUIREMENTS

You must meet the academic entry requirements for entry into a Monash pathway program. Pages 54–55 of this guide outlines the academic entry requirements for common qualifications that apply to international students only. Details on how to calculate your entry score for each qualification can be located on page 53. Other qualifications may also be accepted and are assessed when you apply.

3 ENGLISH ENTRY REQUIREMENTS

You can meet the English entry requirements as follows:

	Monash English	Duolingo ¹	Overall band score	Listening	Reading	Speaking	Writing	Total score	Listening	Reading	Speaking	Writing	Overall score	Listening	Reading	Speaking	Writing	Victorian Certificate of Education (VCE)
COURSE	ACADEMIC IELTS							INTERNET-BASED TOEFL					PEARSON TEST OF ENGLISH (ACADEMIC)					
Foundation Year (Extended)	ME Module 1	80	5.0	4.5	4.5	4.5	4.5	35	3	3	12	12	36	30	30	30	30	
Foundation Year (Standard)	ME Module 2	95	5.5	5.0	5.0	5.0	5.0	46	4	4	14	14	42	36	36	36	36	
Diploma part 1	ME Module 2	95	5.5	5.0	5.0	5.0	5.0	46	4	4	14	14	42	36	36	36	36	
Diploma part 2	ME Module 3	105	6.0	5.5	5.5	5.5	5.5	60	7	8	16	18	50	42	42	42	42	

English subjects completed in other qualifications – and study completed at tertiary level at an institution where English is the language of instruction, communication and assessment for all aspects of study for the whole of the educational institution – may also be accepted and are assessed when you apply.

The measure of English must be completed within three years prior to the Monash course commencement date (other guidelines may apply). If you have completed multiple English measures, the highest valid measure will be considered. Monash reserves the right to request an additional English test to confirm you meet the English entry requirements.

MONASH ENGLISH

If your English test does not meet the English entry requirements for direct entry into Foundation Year, Diploma, undergraduate or graduate courses you may want to consider **Monash English**. Upon successful completion of Monash English, you'll satisfy the English entry requirements for your preferred course if the course accepts this program. Duration is dependent on your English test and preferred pathway course, visit monashcollege.edu.au/study/courses/english.

4 PREREQUISITE SUBJECTS

In addition to meeting English entry requirements, some Monash pathway programs may require you to satisfy other prerequisite subjects.

Full details for these can be found at monash.edu/study.

FOUNDATION YEAR CITIZENSHIP AND RESIDENCY REQUIREMENTS

If you hold Australian or New Zealand citizenship or Australian permanent residency, you're not eligible to apply for Foundation Year. For more information, visit monashcollege.edu.au/courses/fy/entry

Please note that all entry requirements are subject to change.

HOW TO CALCULATE THE ENTRY SCORE FOR YOUR INTERNATIONAL QUALIFICATION

AUSTRALIA

Year 11 Overall average in academic subjects.

Year 12 Final ATAR score.

CHINA

Gao Er (Senior Middle Year 2).

Overall average in academic subjects.

Gao San (Senior Middle Year 3).

Overall average in academic subjects.

Grading scales for both qualifications: 100% scale where 60% equals a pass.

HONG KONG

HKDSE (Senior Secondary 2, Form 5)

- Grading scales of A to E and Level 1 to 5: average of best four academic subjects (excluding physical education and biblical knowledge)
- Percentage Grading Scales: average of best four academic subjects (excluding physical education and biblical knowledge)

HKDSE (Senior Secondary 3)

The HKDSE has two grading scales depending on the school at which the qualification was undertaken.

Total score of the best four subjects taken from Category A and C subjects. Grading scale:

Level 1 = 1 point Level 2 = 2 points
Level 3 = 3 points Level 4 = 4 points
Level 5 = 5 points

OR

A = 5 points B = 4 points
C = 3 points D = 2 points
E = 1 point

A maximum of one bonus point is offered when achieving Level 5** or Level 5* in a HKDSE Category A subject.

INDIA

All India Senior School Certificate XI (Year 11)

Overall average of academic subjects.

All India Senior School Certificate Examination XII (Year 12)

Overall average of the best four academic subjects.

Grading scale:

A1 = 85% A2 = 80–85%
B1 = 70–80% B2 = 60–70%
C1 = 50–60% C2 = 40–50%
D = 33–40% E = below 33% (Fail)

Indian School Certificate Examination XII (Year 12)

Overall average of the best four academic subjects

only. Grading scale:

Very good

1 = 90–100% 2 = 80–90%

Credit

3 = 70–79% 4 = 60–69% 5 = 50–59%

Pass

6 = 40–49% 7 = 35–39%

Fail

8 = Below 35% 9

INDONESIA

Based on public school grading scales.

SMA II Overall average of semester 1 and 2 results.

SMA III Overall average of semester 1 and 2 results.

Grading scales for both qualifications: 100% scale where 60% equals a pass.

MALAYSIA

SPM total score of the best four academic subjects.

Grading scale:

A+ = 9 A = 8 A- = 7 B+ = 6
B = 5 C+ = 4 C = 3 D = 2
E = 1 G = 0

STPM total score of the best three academic subjects.

Grading scale:

A = 4.00 A- = 3.67 B+ = 3.33
B = 3.00 B- = 2.67 C+ = 2.33
C = 2.00 C- = 1.67 D+ = 1.33
D = 1.00 (Pass) F = 0.00 (Fail)

Unified Examination Certificate (UEC)

Overall average of the best five academic subjects.

See website for maximum average allowed.

Grading scale:

A1 = 1 A2 = 2 B3 = 3 B4 = 4
B5 = 5 B6 = 6 C7 = 7 C8 = 8

SINGAPORE

Singapore/GCE O Levels

Total score of the best five academic subjects.

A = 5 B = 4 C = 3 D = 2

E = 1 F = 0

Singapore GCE A Levels

Total score of a maximum of the best three H2 Level subject examinations taken in one sitting.

H2 Level grading scale:

A = 5 B = 4 C = 3 D = 2
E = 1

Two H1 Level subjects can be counted in place of one H2 Level subject. Conditions apply; please see website for more details.

H1 Level grading scale:

A = 2.5 B = 2 C = 1.5 D = 1
E = 0.5

A maximum of one bonus point is offered when achieving a "Distinction" in a H3 level subject.

See website for more details.

SRI LANKA

Sri Lankan O Levels

Total score of the best four academic subjects.

Sri Lankan A Levels

Total score of the best three A-Level academic subjects taken in one examination sitting¹.

Grading scale for both qualifications:

A = 5 B = 4 C = 3 S = 1

UNITED ARAB EMIRATES

Year 12 General Secondary Education Certificate (Tawjihiyah)

Overall average in academic subjects.

Grading scale: 100% scale where 60% equals a pass.

VIETNAM

Year 11 – individual senior secondary school

Overall average of all Grade 11 subjects (refer to the whole year/CN column) as awarded on the final school reports or transcript issued by individual senior secondary school.

Year 12 – Bằng Tốt Nghiệp Trung Học Phổ Thông (Upper Secondary School Graduation Diploma/ High School Diploma)

Overall average of all Grade 12 subjects (refer to the whole year/CN column) as awarded on the official final transcript issued by individual senior secondary school.

Grading scale for both qualifications: 10 points scale where 5 equals a pass.

GLOBAL

GCE O Levels

Total score of the best four academic subjects.

Grading scale: 9 points scale (A* to F)

9 = A*; 8-7 = A; 6 = B; 5-4 = C/C*; 3 = D; 2 = E;

1 = F/G; U = U (Fail)

GCE A Levels

Total score of a maximum of the best three A-Level subject examinations taken within two years².

Grading scale:

A* (a*) = 5, A(a) = 5 B(b) = 4 C(c) = 3
D(d) = 2 E(e) = 1 U = 0

A maximum of one bonus point is offered when achieving A+ in an A-Level subject. Two AS Level subjects can be counted in place of one A-Level subject but conditions apply. See website for details.

International Baccalaureate (IB) Diploma

Total score as awarded on the final IB Diploma.

Grading scale: 7 point scale where 4 equals a pass.

¹ Plus performance in long turn answers. Long turn answers consist of speaking and writing components and are graded by Monash College.

¹ A minimum of three subjects are taken in one examination sitting.

² Subject examinations taken within two years may include more than one sitting. For example, subject examinations in June 2024 until June 2026 are acceptable.

Diploma: monash.edu/study

1	Specific scores apply; see our website for further details.	6	If you haven't completed mathematics (Australian Year 12 equivalent), you must complete Business Mathematics during your diploma. This may result in additional costs and extended duration of the diploma.	8	If you haven't completed Physics (Australian Year 12 equivalent), you must study 'Intermediate Physics'.
2	Based on a pass mark of 50%.			9	Australian Year 12 equivalent in one of Biology, Chemistry, Environmental Science, Geography, higher level Mathematics, Physics or Psychology.
3	Based on 60% pass rate.	7	If you haven't completed higher level mathematics (Australian Year 12 equivalent), you must study 'Functions and their Applications' during your diploma.	10	If you want to major in mathematics as part of your degree, you may need to complete a mathematics unit as part of your diploma.
4	If you're a Monash University Foundation Year student and want to study a diploma, you must also have an average of 60% in English for units 1 and 2.				
5	Successful completion of Year 12.				

MONASH UNIVERSITY UNDERGRADUATE ENTRY REQUIREMENTS

FROM FOUNDATION YEAR

For students commencing Foundation Year in 2026 and seeking entry in Monash University undergraduate courses in 2027–2028.

COURSE	CAMPUS	SCORE (%)	ENGLISH (%)	PREREQUISITE SUBJECTS FOR FOUNDATION YEAR (FY)	
ART, DESIGN AND ARCHITECTURE					
Architectural Design F2001	Caulfield	70	65	None.	
Design F2010					
Fine Art – art history and curating F20033		63.75			
Fine Art – fine art F20031		Successful completion (no grade required)		None. ⁴ MUFY students cannot receive a packaged offer for the Bachelor of Fine Art as students must prepare a folio independently for assessment. The MUFY program does not offer any subject that will assist students in the development and preparation of a folio.	
ARTS					
Arts A2000	Clayton	67.50	65	None.	
	Caulfield	67.50			
Criminology A2008	Clayton	67.50			
Global Studies A2001	Clayton	72.50			
International Relations A2020	Clayton	67.50			
Media Communication A2002	Caulfield	67.50			
Music A2003	Clayton	63.75		None. ⁴	
Politics, Philosophy and Economics A2010	Clayton	72.50		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%).	
BUSINESS AND ECONOMICS					
Note: Up to four bonus points (counting towards your final total MUFY score) can be awarded for this course to students who undertake unit sequences in Accounting, Economics, Mathematics and/or Advanced Mathematics and obtain a minimum grade threshold of 60% (other conditions apply). The bonus points will not be awarded on your final transcript issued by Monash College.					
Accounting B2029	Caulfield	70	65	Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%).	
Actuarial Science B2033	Clayton	76.25		Mathematics (min 50%) or Advanced Mathematics (min 50%).	
Banking and Finance B2042	Caulfield	70		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%).	
Business B2000	Caulfield	70		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%).	
Business Administration B2007	Peninsula	60		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%) ⁶	
Commerce B2001	Clayton	76.25		Mathematics (min 50%) or Advanced Mathematics (min 50%).	
Digital Business B2049	Caulfield	70		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%)	
Economics B2031	Clayton	76.25		Mathematics (min 50%) or Advanced Mathematics (min 50%)	
Finance B2034				Mathematics (min 50%) or Advanced Mathematics (min 50%)	
Marketing B2036	Caulfield	70		Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%).	
EDUCATION					
Education (Honours) D3001	Clayton/ Peninsula ⁷	70	65	Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%) ^{4,6}	
Learning Design and Technology D2003	Clayton	63.75		None. ⁸	
ENGINEERING					
Note: If you have successfully completed Advanced Mathematics (unit 1 and 2) with a pass (50%) average or above you'll be awarded an additional five points to count towards the final total score. The additional points will not be awarded on the final transcript issued by Monash College.					
Engineering (Honours) ⁹ E3001	Clayton	76.25	65	Mathematics (min 50%) or Advanced Mathematics (min 50%) and Chemistry (min 50%) or Physics (min 50%) ^{8,10,11}	
INFORMATION TECHNOLOGY					
Computer Science C2001	Clayton	70	65	Mathematics (min 50%) or Advanced Mathematics (min 50%). If you have successfully completed Advanced Mathematics (unit 1 and 2) with a pass (50%) average or above you'll be awarded an additional one point to count towards the final total score. The additional points will not be awarded on the final transcript issued by Monash College.	
Information Technology C2000				Fundamental Mathematics (min 50%) ⁵ or Mathematics (min 50%) or Advanced Mathematics (min 50%) ⁶ If you have successfully completed Mathematics (units 1 and 2) and/or Advanced Mathematics (unit 1 and 2) with a pass (50%) average or above you'll be awarded an additional two points to count towards the final total score. The additional points will not be awarded on the final transcript issued by Monash College.	
LAWS					
Laws (Honours) L3001	Clayton	85	75	None.	

1 The application of Fundamental Mathematics sequencing rule considers only seven units in total score calculation. Mathematics is excluded although a minimum score (>50%) is required.

2 To be eligible for bonus points you must complete your Foundation Year within the expected completion duration of two semesters (three for the Extended program).

3 Mathematics (MUF0091) and Fundamental Mathematics (MUF0142) are regarded as paired subject units under the Fundamental Mathematics sequencing rule.

4 This course has additional requirements, see [monash.edu/study](#) for full details.

5 Students can satisfy MUFY Fundamental Mathematics prerequisite required for this course by successfully completing either 'Mathematics (MUF0091) and Fundamental Mathematics (MUF0142)' OR 'Fundamental Mathematics (MUF0141) and Fundamental Mathematics (MUF0142)' and achieving the required overall score specified in each subject.

6 Australian Year 11 or equivalent mathematics may also be considered. Minimum score requirement applies.

7 Specialisations are offered at either Clayton or Peninsula. To view specialisations, visit [monash.edu/study](#)

8 This course has special requirements, see [handbook.monash.edu](#) for full details.

9 You must complete 'BMS1021 Cells, tissues and organisms' as a compulsory elective unit in year 1, semester 1 of the Bachelor of Engineering (Honours) if you plan to specialise in Biomedical Engineering.

HOW TO CALCULATE YOUR FOUNDATION YEAR SCORE

- Step 1:** Add the eight highest scores of your units passed¹
- Step 2:** Divide the total by eight¹
- Step 3:** If eligible add bonus points². Add 1.25% of the score of each additional unit you passed to Step 2 (maximum of two bonus point units).

Note: To complete Foundation Year, you must pass (>50%) a minimum of eight¹ units consisting of:

- Units 1 and 2 of English (compulsory subject); AND
- Units 1 and 2 of at least two other subjects²; AND
- Two additional units (stand alone units or paired subject units).

COURSE	CAMPUS	SCORE (%)	ENGLISH (%)	PREREQUISITE SUBJECTS FOR FOUNDATION YEAR (FY)
MEDICINE, NURSING AND HEALTH SCIENCES

Pharmacy (Honours) and Master of Pharmacy P6001				
Pharmacy (Honours) (Scholars Program) and Master of Pharmacy P6001				
SCIENCE				
Note: Any science-based studies used to meet the prerequisite for admission must have been completed within five years of intended commencement.				
Science S2000	Clayton	72.50	65	One of Biology (min 50%), Chemistry (min 50%), Physics (min 50%), Mathematics (min 50%) or Advanced Mathematics (min 50%). ¹
Applied Data Science S2010		72.50		Mathematics (min 50%) or Advanced Mathematics (min 50%)
Applied Data Science Advanced (Honours) S3003		80	75	Mathematics (min 50%) or Advanced Mathematics (min 50%) ¹
Science Advanced – Global Challenges (Honours) ¹² S3001		80		One of Biology (min 50%), Chemistry (min 50%), Physics (min 50%), Mathematics (min 50%) or Advanced Mathematics (min 50%). ¹⁶
Science Advanced – Research (Honours) S3002		85		Mathematics (min 50%) or Advanced Mathematics (min 50%) and two of Biology (min 50%), Chemistry (min 50%), Physics (min 50%).

Please note:

- CRICOS codes for the above undergraduate degrees are located at [monash.edu/study](#).
- The above entry requirement and destination degrees are subject to change.
- Entry requirements for double degree destination degrees are located at [monash.edu/study](#).

10 If you have successfully completed Advanced Mathematics (unit 1 and 2) with a pass (50%) average or above, you'll be awarded an additional five points to count towards the final total score. The additional points will not be awarded on the final transcript issued by Monash College.

11 Prerequisites must be completed no more than five years prior to admission.

12 The entry requirements published in this guide are indicative only. Due to limited places, fulfilling the minimum MUFY entry requirements doesn't guarantee a place in this course.

13 Additional age requirements apply to undertake clinical placements for this course. Underage students who are unable to meet the mandatory compliance requirements, due to their age by the time of the first placement are not eligible for an offer. Please refer to the mandatory compliance web page for additional information: [monash.edu/mnhs/compliance](#)

14 Students are required to meet MUFY English score of 65% and provide an AHPRA approved English test (equivalent to an Academic IELTS overall score of 7.0 with no band less than 7.0) to meet the Monash University undergraduate courses English language requirement. The APHRA approved English test must be valid two years prior to the Monash University course commencement date. Further information will be available at [monash.edu/study](#)

15 If you successfully complete Biology (unit 1 and 2) with a high credit (65%) average or above, you'll be awarded an additional two points to count towards your final total score. The additional points will not be awarded on the final transcript issued by Monash College.

16 All eligible applicants will be invited to an interview. For further information, please visit [monash.edu/global-challenges](#). Foundation Year students cannot receive a packaged offer for this course.

MONASH UNIVERSITY UNDERGRADUATE ENTRY REQUIREMENTS

FROM DIPLOMA PATHWAY

For students who commence their diploma studies between 2024-2026 and are seeking admission into Monash University undergraduate courses in 2026 and 2027.

How to calculate your Diploma score

To find out how to calculate your final diploma score, visit monash.edu/study/courses/destination-degrees

 - * Entry requirements for double degree destination degrees are located at monash.edu/study/courses/destination-degrees.

1 This course has either additional requirements (see study.monash.edu for full details) OR special requirements (see handbook.monash.edu) for full details.

2 Students who wish to undertake the following majors during the Bachelor of Science must have Year 11 or 12 Mathematics, and enrol in both MCD4490 Advanced Mathematics and MCD4500 Engineering Mathematics: Applied Mathematics, Financial and Insurance Mathematics, Mathematics, Mathematical Statistics, Pure Mathematics. MCD4490 Advanced Mathematics is not required if students have completed VCE Specialist Mathematics (or equivalent).

3 Only available with the Primary and Secondary Education specialisation.

4 Students who enter into Diploma of Arts (Sociology Education) part 2 without Australian Year 11 Mathematics, must complete unit MCD1550 Introductory Mathematics for Business which will result in the Diploma duration being extended and additional costs.

5 Students who enter the Diploma of Business Education part 2 with Mathematics equivalent to Australian Year 11, must complete unit MCD2140 Business Mathematics which will result in the Diploma duration being extended and additional costs.

6 Science approved list: Biology, Chemistry, Environmental Science, Geography, higher level Mathematics, Physics or Psychology (all Australian Year 12 equivalent).

7 Packaged offers can not be issued for this course.

FEES, SCHOLARSHIPS AND FINANCIAL SUPPORT

FEES

Your tuition fees are the main cost of your education, but there are additional expenses to consider, such as books, study guides, calculators, and photocopying. For the most current fee information, please visit:

Diploma fees: monash.edu/study

Foundation Year fees: monashcollege.edu.au/dates-and-fees-foundation-year

SCHOLARSHIPS

Monash College International students can apply for the below Monash University scholarship:

- Humanitarian Scholarship

For more information on the scholarship options available to you and how to apply, visit monash.edu/scholarships

COST OF LIVING IN AUSTRALIA

Before you arrive in Melbourne and begin your studies at Monash College, it's a good idea to plan and prepare a budget. Monash College follows the Australian Government recommended guidelines¹ when it comes to the average living costs in Australia.

OTHER LIVING EXPENSES

There are additional living expenses beyond accommodation costs. You may also need spending money for things like medication and other personal items, such as clothes. You'll also need to budget for groceries, utilities, public transport or a car, and there's also entertainment to consider as well!

The website below provides a calculator where you can calculate your estimated costs to give you a sense of what your expenses may be.

For more information visit, go.monash.edu/living_education_costs

Depending on your chosen degree, additional costs may apply for class materials and other course requirements. Please make sure you check any additional costs for your course before commencing your studies. All costs are subject to inflation.

OFF-CAMPUS ACCOMMODATION	A\$ PER WEEK
Shared rentals ²	\$200 to \$450 per week
Rental ³	\$350 to \$775 per week

The above lists some options for off-campus accommodation and estimated prices. Please note that rental costs can fluctuate and prices will most likely vary depending on where you choose to live.

go.monash.edu/accommodation-off-campus

It's important to note that all student visa holders must have Overseas Student Health Cover (OSHC) – which provides medical and hospital insurance in Australia – before you arrive in Australia. For further details, visit monash.edu/fees

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. For information, visit go.monash.edu/student-visa-eligibility

¹ For further details, visit www.studyaustralia.gov.au/en/life-in-australia/living-and-education-costs.

² Shared accommodation varies on a weekly basis depending on the accommodation location and the number of occupants. Off-campus shared rental accommodation prices do not include utilities. Prices listed here are rates for 2025; prices may vary in 2026.

³ Rental costs listed here are based on costs for one-bedroom apartments. Prices vary depending on suburbs.

HOW TO APPLY

1

Choose your pathway
Choose your Monash University undergraduate degree, and decide whether the Foundation Year or Diploma program is best for you.

2

Check you meet the entry requirements
See pages 52–55 for a list of entry requirements.

3

There are two ways to apply
Apply online
To apply online, visit monash.edu/admissions/apply/online
OR
Apply through a registered agent. To find a registered Monash agent, visit monash.edu/agents
You'll also need to provide additional documents to support your application that may require certification and/or translation, visit go.monash.edu/certifying-documents.

4

Receive your offer
We determine whether you've met the entry requirements, and if successful you'll receive an offer known as an International Student Course Agreement (ISCA). The offer will detail your Monash pathway program and undergraduate degree. This means you'll only need to apply for one student visa.
Monash also checks whether you're a genuine student seeking entry to Australia to study, visit monash.edu/study/visa-requirements

5

Students under 18
If you're under 18, we'll send you a welfare and accommodation form with your offer letter. To complete the form, you'll need to decide:
1. Who will be your guardian?
You can choose either a parent/relative or a Monash College guardian. If you choose to live with a parent or relative, you'll need to download Form 157N from www.homeaffairs.gov.au and submit it to the Department of Home Affairs.
2. Where will you live?

- Off-campus student accommodation
- On-campus at Clayton
- Homestay

6

Accept your offer
Follow the instructions in your ISCA. You must complete, sign and return all pages in Part A of your ISCA, along with payment and provide a copy of the personal details page of your passport to Admissions *BEFORE* the offer lapse date.
When you accept your offer, you'll also need to pay your deposit and Overseas Student Health Cover fee (as outlined in your offer letter). If you're under 18, you'll also need to pay the deposits for Monash College guardianship and accommodation.

7

Receive your Confirmation of Enrolment (CoE)
Once your acceptance has been processed, you'll receive an electronic CoE. If you're under 18, we'll also send you a Confirmation of Appropriate Accommodation and Welfare (CAAW).

8

Apply for your student visa
You'll need the CoE to apply for your student visa with the Department of Home Affairs (DHA) for study in Australia¹.
When applying for your student visa, you'll need to meet all core visa criteria, such as the genuine student requirement, good character and health criteria. Financial capacity documentation may also be required. You'll also need to satisfy English requirements set by DHA where these requirements may differ from Monash.
If you're under 18 years of age when you start your course, you need to have your caregiver and accommodation arrangements approved and will also need Confirmation of Appropriate Accommodation and Welfare (CAAW) before applying for your student visa, visit monash.edu/students/under-18.
For more information visit:
monash.edu/study/visa-requirements
monash.edu/connect/student-visa
You can also find out more about the Simplified Student Visa Framework at monash.edu.au/study/international/apply/visa

9

Pack your bags!
Congratulations, you're on your way to Monash College. To make sure you're prepared, we've created a checklist of things to do before you arrive. Don't forget to arrive in time for enrolment and orientation!
Visit monashcollege.edu.au/prepare-to-arrive
